TJX VIOLATED NINE OF 12 PCI CONTROLS AT TIME OF BREACH COURT FILINGS SAY

U.S. Indicts 11 in Global Credit-Card Scheme

BOSTON -- Federal prosecutors charged 11 men in five countries with
orchestrating a high-tech operation that stole more than 40 million
credit-card numbers from U.S. retailers including TJX Cos., Barnes &
Noble Inc., Office Max Inc. and Sports Authority.
The case is the highest-profile breach in the industry.

Companies Say Security Breach Could Destroy Their Business

DID YOU KNOW...

that if just a few credit card numbers are stolen,
it can cost merchants tens of thousands of
dollars in fines, assessments, forensic audit fees,
and other penalties?
