

# RETRIEVER PAYMENT SYSTEMS

## WHY YOU NEED NPC'S PLATINUM SECURITY PCI COMPLIANCE.

1. **PCI Compliance is Mandatory from Visa/Mastercard for your equipment, Download Program, Card Data Security, & this is "Not an Option." All Retail & Internet Merchants must Remain in PCI Compliance.**
2. **NPC'S Platinum Security Program makes it easy for you to be Certified by Visa/Mastercard & remain Certified every year.**
3. **NPC'S Platinum Security Program provides you with Up To \$50,000.00 Waiver protection from Visa/Mastercard Fines & Assessments for PCI Non Compliance & Identity Card Data Theft & Breach of Card Data Security Loss. Just the Breach Loss of a few customers card Numbers could cost your company "TENS OF THOUSANDS of \$ IN FINES & ASSESSMENTS from Visa/ Mastercard."**
4. **Internet Processing Terminals, or Internet Merchant Processing Accounts must be Scanned every 90 days for PCI Security Compliance. This Scan is no extra charge from Trust Wave who works with NPC As Part of our Internet Processing version of the PCI Compliance Program. With Out NPC'S Platinum Security PCI Program, you could be Paying \$299.00 per Quarter for this Scan Service from Trust Wave, & Re-Certification with Visa/ Mastercard every 90 days.**
5. **You will have access to View your Daily Batches, Deposits, Mo. to Date Sales, Statements & Card Disputes for up to 18 months back.**
6. **Every Merchant Processing Company has a PCI Compliance Program, that will cost you from \$5.00 to \$40.00 per month, but they don't provide you the Internet Access to view your account information, & they don't provide you with \$50,000.00 Waiver Coverage for Visa/ Mastercard Fines & Assessments for Card Data Breach Loss or Theft.**
7. **All Credit Card Processing companies are Required to have your Equipment Certified. If you are Not PCI Certified with Visa/ Mastercard by 7/01/2010, your Merchant account will be Charged a \$19.95 Mo. Fine for Non Certification with Visa/ Mastercard. You must be PCI Compliant Now, & Remain Certified Annually for Dial Up Terminals, & be Re-Certified with a Software Scan every 90 days on I.P. Terminals or Computer Software.**
8. **As we said at the top of the page, "PCI Compliance" with Visa/Master Card is Not Optional." This Program is Mandated by All the Major Card Companies who joined together to protect consumers from Identity & Card Data Theft. "You must Be Certified and Remain Certified" if you Want to be able to continue accepting any Credit or Debit Cards.**
